The New Year has begun and we are off and running. The month of January should be fun. We have seen the return of the cold and snow we are all so fond of. Try and spend a little time in the sun when it does bother to shine. It'll brighten your day.

The second annual progressive dinner will be on Sunday January 17th at 3 pm. The Lakeville church is last in order this year. That means we will be providing the dessert course. The evening will begin at The Leonard UMC and continue to the Community Church at 4pm. We should be arriving here at 5pm. Come spend a few hours in fellowship and enjoy a wonderful meal. Bring a dessert to share.

Bible study has begun again. We are studying the book of Job. Come and be a part of the blessing that God brings us through his word. the next meeting date is January 10th at 8am. The study is held every other Sunday at 8am and we meet in the basement next to my office. Hope to see you there.

Scripture that we have done during Lent. I know it may seem like a long way off but mark your calanders now. It will be here before we know it. The third annual Winterfest we be held this year on February 21st at 1 pm. A great time was had last year. Come join in the fun at Lee and Nadine Davis's Home. If you need directions just ask me or Lee or Nadine.

This year we will be having a Tenebrae Service on Maundy Thursday. It is a wonderful time of prayer and scripture, and meditation. I will be looking for help with that service. More to come later.

I pray that your New Year has begun well. It has been said that no one can go back and make a new beginning, but anyone can start today and make a new ending. Start each day on the path that you want to follow. My prayers and blessings go with you.

Yours In Christ,
Pastor Mark
