Rev. Joanne Bartelt is opening her home again this year for a Christmas Open House. It will be held on December 4th from 12-5pm. She lives in Port Huron and always puts on an amazing day. Please plan on attending, if only for a minute or two. This is a unique opportunity to visit with your DS in an informal setting and enjoy others from around the district. You will not be disappointed for taking the time.

Pastor's Corner

Bible study is on hold for the moment. I would like to get one going and need some input as to day and times. Please contact me and let me know your thoughts on this issue.

Our next Ad Council will be held on November 1st at 7pm. come and be a part of the decisions that are made regarding the direction of the church.

We are headed back down to Baldwin Ave once more this year to help serve lunch. If you have never been a part of this I encourage you to try it one time. I personally look forward to it and this is our last opportunity this year. Come and help make a difference.

Once again this year we will be putting together cookie trays for Christmas. The build date for these trays is Sunday, December 12th. Donations of cookies and time will be gratefully appreciated. Thank you for making this a wonderful yearly way of giving back.

The children have decided to put on a Christmas program again this year. If your child or grandchild wants to be a part of this please give me a call, or see you on Sunday, so Mary can begin the process to make this happen.

My office time has been on Monday. Starting in September I will be moving that day to Thursdays. As always, if you need to get ahold of me at any other time, feel free to call the number at the bottom of this page. I look forward to hearing from you.

We are once again planning the progressive dinner with the two churches in Leonard. The date has not been set as of yet but I will announce it as soon as I know and also get it posted on our website. We will be hosting the main course this year and I know it will be a wonderful time of food and fellowship. Thank you in advance for helping make this day a success as it has been in years past.

I pray that you start each day on the path that you want to follow. My prayers and blessings go with you.

Yours In Christ,
Pastor Mark
